

the composite collection

style with strength

The Hurst Composite Door Collection is a breakthrough in door technology, combining proven levels of high security with incredible good looks...

Official Police Security Initiative
The Composite Door set is available to meet the requirements of the Secured By Design Licence, the official Police initiative backed by the Home Office Crime Reduction Unit.

PAS 23

Weather Performance
Certified accreditation for performance against extreme weather conditions.

PAS 24

Security Performance
Certified accreditation for performance against extreme physical attack methods used by intruders.

The Yale Multipoint Locking System
Utilised as standard within the Hurst Composite door and is endorsed by the Master Locksmiths Association and all leading UK insurance companies.

Composite Fire Doors
A range of door options available conforming to BS476:Part22:1987 fire regulations.

...in fact, quite simply,
it's a door that possesses
superior style with strength.

“The new range of Cottage doors offer rustic charm whilst retaining the benefits of

low maintenance and high security”

the composite fire door

Outwardly, these doors are indistinguishable from the main range of composite doors, thereby offering a truly aesthetically pleasing door with an unsurpassed level of safety and peace of mind that will keep out both fire and intruders alike.

Unlike most fire doors, the Hurst Composite range is available with specially developed PVC-U frames, also conforming to BS476 fire regulations, providing the benefit of a matching maintenance free frame to keep the entrance to your home in complete harmony.

“The Hurst Composite Door is available with full **british standard fire door certification** on selected ranges.”

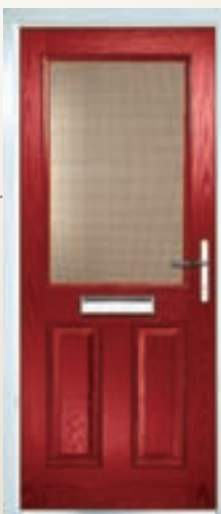

Composite 4 Glazed Fire Door with Fanlight

Composite 6 Two Glazed Fire Door with Fanlight

Composite 1/2 Glazed Fire Door

Composite 1/2 Moon Glazed Fire Door

Composite 1/2 Arched Glazed Fire Door

- 30 minute Fire Door conforms to BS476:Part 22:1987
- Fan light options available conforming to British Standard Fire Door Certification
- Hung in a specially adapted PVC-U frame
- Fire retardant letterplates and door viewers are available to accompany the range

composite glass colour options

fusion jewel options

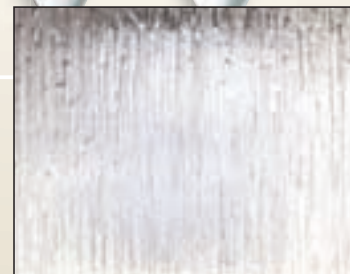

Our Fusion Jewel decorative glass allows you to co-ordinate the colour of the glass tile to perfectly complement your chosen door colour.

textured backing glass options

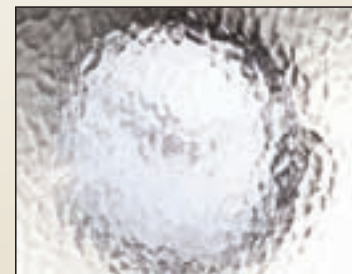

Additional backing glass options are available upon request but may incur an additional lead time and/or surcharge.

platinum simplicity zinc

platinum clarity and simplicity options

Our Platinum Clarity and Simplicity triple glazed designs are constructed using hand-cut bevels and beautifully textured glass pieces, which are assembled using traditional stained glass methods into zinc or brass comes. The decorative glass is then encapsulated between two pieces of tempered safety glass to give excellent thermal and sound insulation with the added benefit of an easy-to-clean, smooth surface.

door furniture

high security handles

Available as Lever/Lever or Lever/Pad

The latest Yale High Security Handle (PAS 24 Clause 11 compliant) with additional cylinder protection are fitted as standard to all Hurst Composite Doors.

Yale

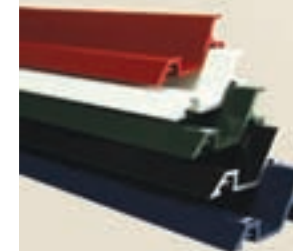

door knockers and letterplates

A whole range of door knockers and numerals are available in White, Brass and Chrome colour options. Spyholes, door guards, dog bolts and safety chains are also available for the Composite range.

weather bars and door colours

Brass and silver effect weatherbars are fitted as standard to all Composite doors but a range of coloured weatherbars are now available to match your chosen door colour.
